

# Make a Camel Face Mask

## What You Need

Printout of pages two and three (single sided), Scissors, Glue, Crayons/Pencils/Felt Tips, Stick, Sticky Tape

## What to Do

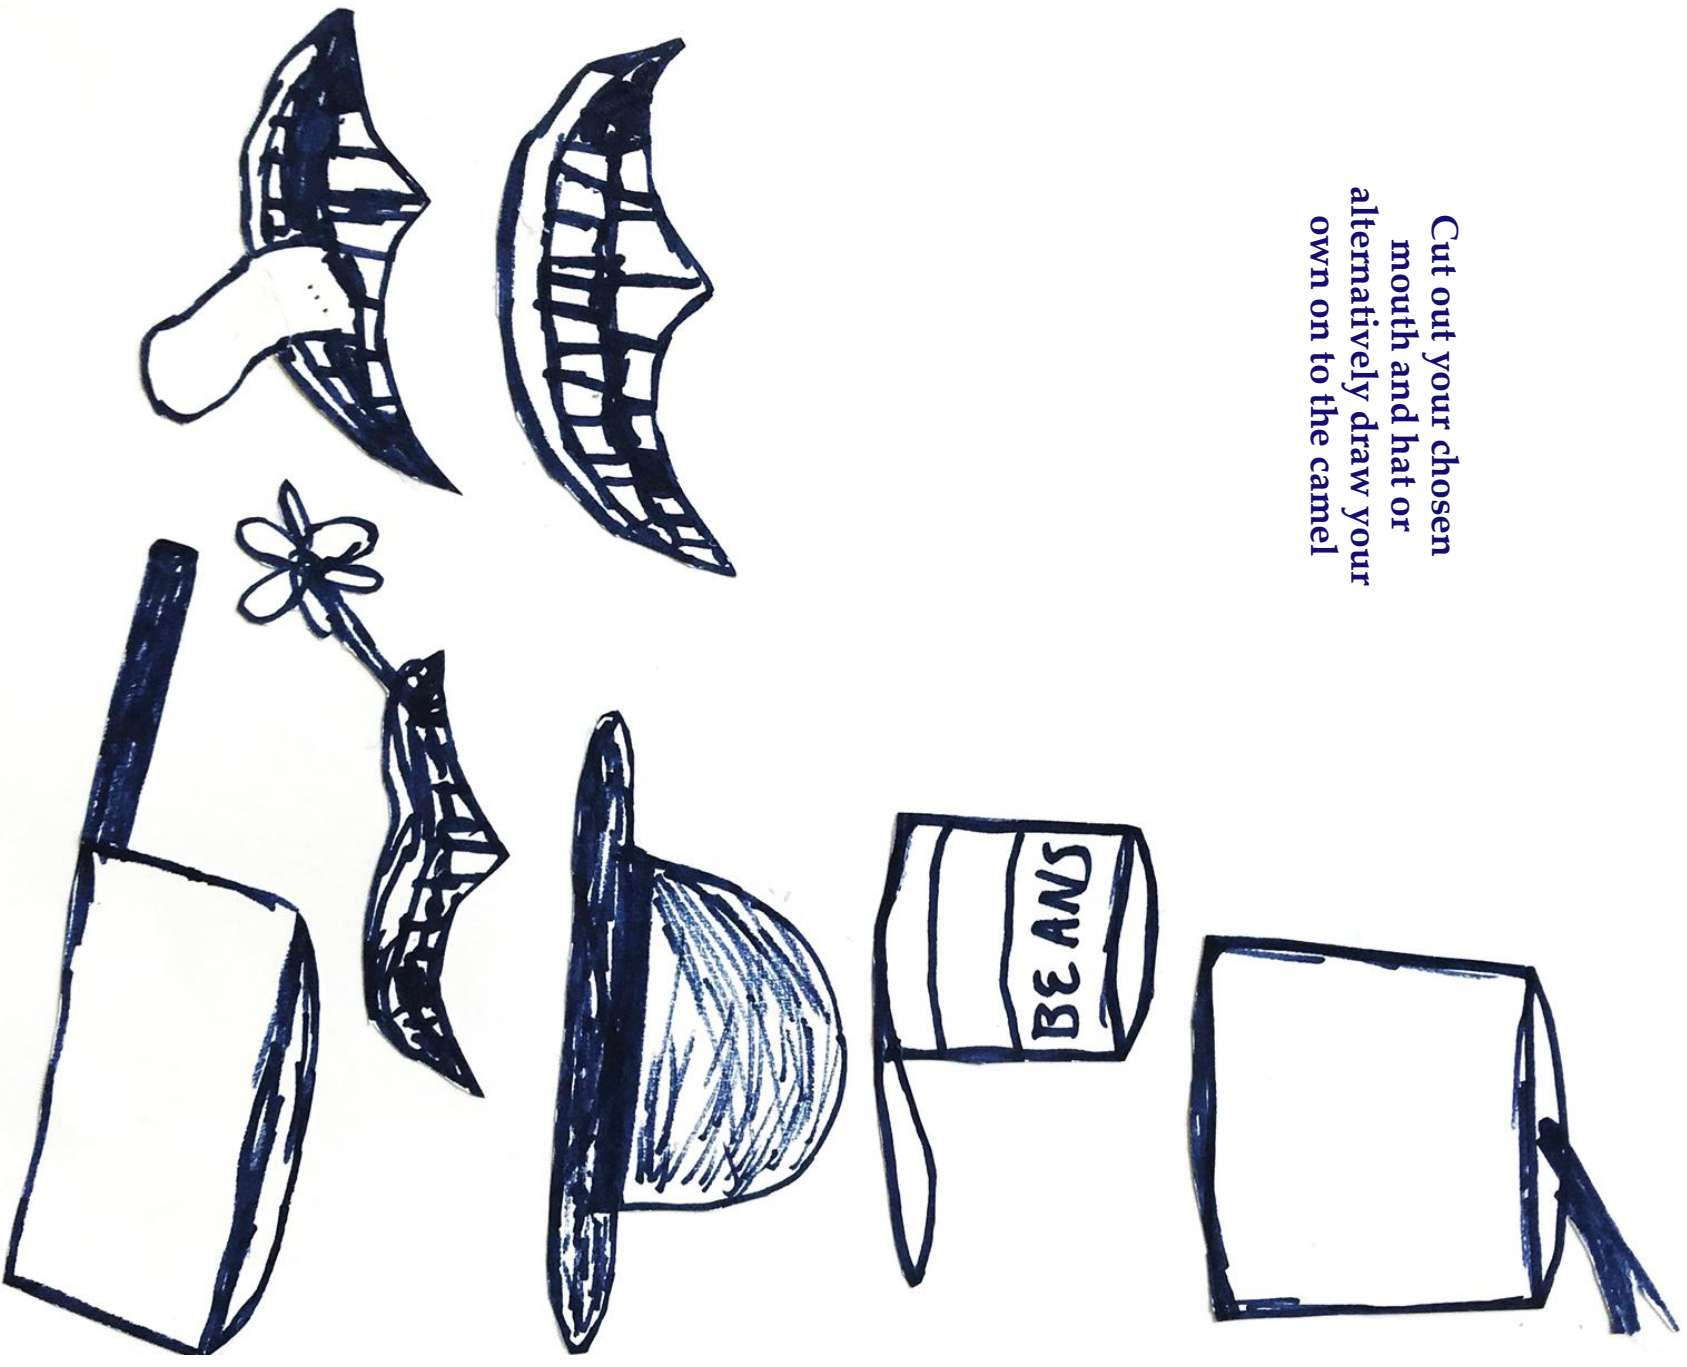

1. Ask a grown up to help you cut out your chosen mouth and hat. Alternatively you can draw your own directly on to the camel face
2. Glue your chosen mouth and hat, or draw your own on to the camel face
3. Colour in the whole camel face
4. Ask a grown up to help you cut out your completed camel face
5. Attach a stick to the back of your camel face
6. Use your imagination to create a voice and character for your camel. You can even print several faces and choose different mouths, hats and characters for each!
