Background

Richmond Arts Service is based at Orleans House Gallery on the Riverside in Twickenham, promoting arts and culture through a programme of contemporary art exhibitions, festivals, events and activities for everyone in the community.

We foster creativity and enjoyment of the arts, enable people to reflect on their lives and develop new ways of seeing the world. We bring thought-provoking art to the Borough and cultivate a network of individuals, organisations and programmes that nourishes the arts, local organisations and communities.

Home to the Richmond Borough Art Collection, comprising of over 4,400 artworks, at a site with a rich 300+ year history, Orleans House Gallery works with local, national and international artists and community partners to engage with the community, as we have done since 1972.
